Checking out Macbooks/iPads

Have the ICS student in your group make the reservation through
http://support.ics.uci.edu/comp_checkout
Put "AutismAppJam" in the reason why you need the computer/iPad.

Every team should have at least one ICS student, but if for some reason there are none:

Contact Bill Cohen at wdcohen@ics.uci.edu

Tell him:

The dates the equipment is needed.
name, uci student id, major, team#

Each student who will checkout equipment needs to sign a waiver which holds them responsible for damage/ loss, i.e. if they break it they agree to replace the equipment. (roughly $1240 each)
